## Textile Disperse Dyes

First Source Worldwide, LLC is here to help you with all of your textile disperse dye product applications.

First Source Worldwide, LLC is a leading supplier of high quality dyes, pigments, and specialty chemicals. We custom manufacture and market products for a variety of applications including leather, paper, food, textiles, plastics, and coatings. In addition, we have state-of-the-art laboratory and warehouse facilities located throughout the United States through which we can provide testing and logistics services.

In addition to our own comprehensive dye listing we also stock and distribute:

- Dyes from several multinational companies.
- Various liquid dye products.

And for ease of application:

- Manufacture various powder dyes into liquid form.

If we do not have a particular dye listed that you are looking for, we can find it for you.

Please explore our products and technical services to learn more about our business and how we can help you today.
