Pigment Color Index

First Source Worldwide, LLC is here to help you with all of your pigment product needs.

First Source Worldwide, LLC is a leading supplier of high quality pigments, dyes, and specialty chemicals. We custom manufacture and market products for a variety of applications including leather, paper, food, textiles, plastics, and coatings. In addition, we have state-of-the-art laboratory and warehouse facilities located throughout the United States through which we can provide testing and logistics services.

In addition to our own comprehensive pigment listing we also stock and distribute:

- Pigments from several multinational companies.
- Auxiliary products that allow for ease of application.

First Source Worldwide, LLC provides:

- Custom blending to match customer requirements

If we do not have a particular pigment listed that you are looking for, we are adept in locating it for you.

Please explore our products and technical services to learn more about our business and how we can help you today.
